# **The Faith Based Community Resource Family Recruitment Weekend**

Resource Families include Foster, Adoptive, and Relative Caregivers that provide loving, safe and stable homes for a child when his/her own family is unable to do so.

**February 11, 12, 13, 2005**

## ***Our Goal***

***To encourage people -- congregation members and others -- to open their homes to children who need the warmth and guidance of a family. Be a resource family. Be a Superhero.***

## ***Who Can Participate?***

***Every house of worship, every denomination is invited to participate.***

## ***How Your House of Worship Can Participate***

- ***Have a representative speak briefly on Resource Families during or after services to members, or at a special meeting.***
- ***Consider using the theme of children in your message.***
- ***Consider having information about Resource Families in your bulletin and newsletter.***
- ***Let your community know about your recruitment events.***
